**Attachments:** WS-LC-0025 r4-0 PFAS by LCMSMS - EPA.pdf

FYI, I had contacted Karen, we were all on the same page, not sure why that email got forwarded up. Laura sent us the unredacted version.

**Subject:** SOP for PFAS

Hello – I have been asked by Karen Larsen to provide this un-redacted SOP for our PFAS method. The solid sample coupons we received from this client were mechanically reduced to <0.3” particle sizes prior to the start of the analysis process.

Please let me know if you have any questions.
